JAPANESE LOAN VERY POPULAR

before the doors opened throngs crowdand throughout the morning a steady flood of applicants, among whom were nany women, taxed the extra staffs of the banking establishments engaged t eal with the rush. The first pos brought in many thousands of applica

of views regarding Japan's financial stability. It is said that large subscriptions came from Germany.

The issuing banks estimate that the Japanese loan has been over-subscribed at least ten times. They think the foreign applications alone fully cover the witzerland applied for \$10,000,000 of

New York Subscriptions.

New York, March 29.—Subscriptions to the American half of the new \$150,-000,000 Japanese loan were formally opened today. The syndicate managers opened today. The syndicate managers found themselves overwhelmed with applications. Wherever possible preference will be given to small investors whose applications have come by mail and telegraph from all parts of the country. What proportion, if any, of the loan will be allotted to French investors has not been displaced.

The loan was heavily over-subscribed within a few hours. In consequence the books will close at 3 p. m. tomo

In San Francisco.

San Francisco, March 29.—Subscriptions for the new Japanese loan of \$150,000,000 were opened in this city at 10 o'clock today by the Angio-California bank and the Nevada National bank. Within half an hour the subscriptions amounted to nearly \$3,060,000, with no abatement of the demand. The amount to be allotted to this city is not vet known, but it is believed that it will beless than the amount already taken, as the total subscriptions in the United. States have been limited to \$75,000,000.

MISSOURI IN THE FIGHT.

Quo Warranto Proceedings Against Oil Companies.

Jefferson City, Mo., March 29,-Attorney General Hadley today filed in the supreme court an application for a to see the writ of quo warranto for the purpose of

with attempting to rob the Cody bank, and the killing of Cashier Middaugh last November, are the right men. The claim that they were at work for the Dexter Mining company at Atlantic City on the day of the nurder has been investigated and the discovery made that the Fraughton and Caldwell employed there are brothers of the suspects. Attorney Walls, who failed to identify a number of suspects prior to the arrest of Fraughton and Caldwell in Utah, is still positive the prisoners are the right men. Their trial will begin at Basin City on April 12.

Lincoln, Neb., March 29.-Both house of the legislature have passed a bill prohibiting sports on Memorial day, and the governor will sign it.

SCHIFF CLAIMS THE MONEY WAS

London's Proportion Oversubscribed at Least Ten Times.

New York. March 29.—Jacob II. Schiff of Kuhn. Loeb & Co., made a statement today with reference to the charges made yesterday in a petition presented to the state attorney general at Albany by State Senator Brackett. These charges alleged that Mr. Schiff. Who is a director of the Equitable Life Assurance society, had received commission on bonds worth \$5,000,000 sold to the society by his own banking firm. Kuhn. Loeb & Co. and that therefore he had violated the law for bidding participation in such transaction by a director of an insurance company. Mr. Schiff, having been asked to make a statement in connection with the allegations, said to a representative of the

Schiff, having been asked to make a statement in connection with the allegations, said to a representative of the Japanese loan of \$150,000,000 allotted to Loudon was well over-subscribed within an hour of the time of the open-within an hour of the

brought in many thousands of applications and the enormous subsequent deliveries gave evidence of public interest in the loan.

Subscriptions to the Japanese loan closed at 2:30 p. m., when it had been many times over-subscribed. An interesting feature was the fact that considerable applications were received from the continent, indicating a change of views regarding Japan's financial stability. It is said that large subscriptions came from Germany.

The issuing banks estimate that the large subscriptions came from Germany.

Denver, Colo., March 29.—W. F.
Jones, auditor of the Denver, North-western & Pacific railroad, has just returned for the work to Salt Lake. This has been done through his business associations in the east and in Europe. He has been able to do this and yet retain control of the corporation. It work is to be started in the near fulline, and he proposes to keep it free from entanglements in every way, that it may be operated in the interest of Denver and Colorado."

SKIN DISEASES

are all caused by a weakened and polluted blood circulation, and though they may have lain dormant in the system during the cold weather, at the coming

of Spring and Summer, when the blood is reacting and making extra efforts to expel all morbid and poisonous matter, they make their appearance. External remedies cannot cure; they soothe and give temporary relief, but often clog the pores and glands, and

the poison causing the trouble is thus shut up in the system to break out

afresh later on. S. S. S., a purely vegetable blood remedy, cures all skin

diseases by going down into the circulation, driving out all poisons and waste

have their origin in the blood. Book on Skin Diseases and any advice wished
